MEMORANDUM FOR:

Special Assistant for Inter-Departmental  
Affairs

VIA : Director of Global Issues

SUBJECT : Forthcoming CCCT Meeting

This morning I spoke with Dennis Kass, Executive Secretary of the Cabinet Council on Commerce and Trade, about the steel agenda item for the next meeting. Dennis informed me that this was not a decision item. It will be another in a series of regular briefings by Secretary Baldrige on the status of the steel discussions with US industries and the Europeans. At this meeting, Baldrige will inform the CCCT that he met with senior officials of the US steel industry on 6 January. The purpose of the meeting with steel officials is to determine the status of the massive dumping suits which the steel industry has been threatening to file. Dennis doubts that there would be a formal paper prepared on this subject although Commerce might put together some material on what has happened since the last CCCT briefing.
